My meeting with Natasha will be next week, Joanne.

Please forgive my delay in replying to your initial request and inform the Coast Guard they will have the contact information on Monday, October 18th.

My offer to assist is just taking a bit longer than I had hoped or implied.

Thank you for your patience,

Patty Lent

Subject: Bremerton Gasworks

Mayor Lent,

Thank you for meeting with Kathy Parker and myself last week, it was a pleasure to meet you. I wanted to let you know the US Coast Guard will be moving forward with addressing the spill at the beach in front of the Bremerton Gasworks site. I attended a meeting today concerning the site. During the meeting, the Coast Guard requested contact information for Natasha Sesko. You had mentioned that you were planning to talk to her about the site and the spill. I wanted to check and see if you had. Also, do have any contact information for Ms. Sesko that I could provide to the Coast Guard? Thank you so much. I greatly appreciate your support of EPA's activities at this site.
